

DR. CLYDE M. CRIST

"APPROVED OF GOD; NOT ASHAMED," THEME OF PASTOR OF FIRST M. E. CHURCH

Dr. Clyde Monroe Crist, the newly-appointed pastor of the First Methodist Church of this city, occupied the pulpit both morning and evening, preaching to excellent audiences. His morning theme was "The Baptism of Fire." In the evening his subject was "Approved of God; Not Ashamed," his text being from 2 Timothy 2-15; "Study to Show Thyself Approved Unto God, a Workman That Needeth Not to Be Ashamed, Rightly Dividing the Word of Truth."

"This theme," he declared "brings before us a vision of all that has to do with the successful Christian life. From the divine side we must be approved of God and from the human side we must not be ashamed. As we think of the great scope of the work laid out to be accomplished, it seems to me that two things are suggested, what has been done and what remains to be done."

"All down through the ages there have been those who have been called to do things for the Kingdom. Along with these leaders have been masses of men who have given themselves to further the Kingdom of God. The feeling we ought to have with reference to the past is a feeling of deep appreciation; but in a certain sense all of this does not concern us. The thing that concerns us personally is not what has been done but what is to be done, the things that yet remain to be accomplished."

"Since we are engaged in the King's business it is the natural query: 'What is necessary that we may become more efficient and more effective as workmen for God?'"

"The first thing I want to speak of in this matter of spreading the Gospel is the matter of character. As I study the situation in the world today and more especially in the churches, is borne in upon me the necessity for a foundation of character. We cannot blame God that we are other than we ought to be for we have made ourselves day by day. If we are satisfied to be of small consequence to the world, the probability is that when we have passed through it the world will hardly miss us. I do not care much for that hymn 'O, to be Nothing, Nothing!' I always want to say: 'O, to be Something!' This matter of being something appeals to me. I want to be something for Him."

"The second essential is Christian experience. We ought not only to be something, but we ought to know something and what a man knows is better than a \$10,000 donation. The

KIRK IN WASHINGTON

GIVES CAPITOL THE "ONCE OVER" ON HIS WAY TO PROVIDENT OFFICE

Dear News:—

My daylight ride through the Allegheny Mountains of Pennsylvania was very enjoyable, the beautifully wooded hills with changing leaves being a relief from desert and plain. The quaint, two-story houses, in both town and country, with the absolute plainness of not even a front porch of any kind, and the small window panes which are in evidence, even in Philadelphia, are in sharp contrast to our homes in California. The one thing which would add more than all else to the appearance of Pennsylvania is a liberal supply of p-a-i-n-t.

I was not disappointed in my preconceived ideas of Washington. From the time when you roll into the beautiful, modern Union station till you leave it on your further journey, you are impressed with the dignity, beauty and utility of all the government buildings and this means much to the town, because the government is practically "the whole show" there. Washington has very little manufacturing for a large eastern city, being close to Baltimore and I suppose, also, no desire on the part of the government or its citizens to make it a manufacturing center.

The buildings of the government are scattered all over the city, practically, and as my stay there was for only a day and a half, I didn't attempt to explore many of them. The view from "The Monument" gave me a splendid idea of the lay of the land—practically as good as a trip in an aeroplane would have done. The Monument is 555 feet high and about 35 feet square at the base. The elevator takes you up 500 feet which gives you a wonderful view. You can look into three or four states. The country is covered thickly with

LUNCHESS DISCUSSED

MOTHERS IN CHAPTER B. A. CONSIDER VIANDS FOR CHILDREN'S MEALS

Chapter B. A. of the P. E. O. met Friday at the home of Mrs. A. M. Parker on North Louise street. Mrs. H. H. Parker being an assisting hostess. There was the usual business session from 10:30 to 11:30 when members adjourned in the expectation of seeing the King of Belgium. Following the very nice luncheon which was enjoyed at the noon hour, Mrs. Pauline Russell, of Riverdale Drive, was received into the chapter as a member with the usual initiatory ceremonies. A program was then given in which Mrs. Kille read several selections from the book "More Power for You" by Bruce Barton. Mrs. R. M. Brown conducted a round-table on children's lunches in which each member responded to a request for a recipe for the manufacture of something suitable for a child's lunch, or recommended some food adapted to lunches. As most of the members are mothers with children in school, it was considered a most profitable discussion. Mrs. W. C. Wattles of Chapter A. H. was a visitor as was also Mrs. Flora Arnold, who is the house guest of her sister, Mrs. Kille.

PROPOSED NEW AUTO HIGHWAYS

The fortunate owners of automobiles in Glendale, and they are many, are greatly interested in the proposed Angeles Crest Road, of which a survey has been completed from Red Box Saddle, between the Arroyo Seco and the west fork of the San Gabriel River to Bear Saddle west of Mount Islip, by Engineer H. G. Volk. Its average elevation is 5000 feet and the grade ranges from 2 to 7%. If built it will make a new approach to the Wilson observatory.

Another scenic highway for which the new state bond issue of \$40,000,000 will provide funds will be the proposed ocean boulevard from Oxnard to San Juan Capistrano to cost in the neighborhood of \$4,000,000. Surveys are now being made by the California Highway Commission. Of special interest will be the section between Redondo and San Pedro over the elevated tableland south of Palo Verde hills.

COMING INTO ITS OWN

Residents in Casa Verdugo report a large and growing demand for property in that section and declare Glendale's foothill district is coming into its own. Mrs. W. B. Kelly, on Randolph street, says several persons have called at her home during the past few weeks to ask if the property was for sale and that transfers which have been made have seemingly come about in that way by unsolicited buyers. She states that property opposite her own home on Randolph street, which belonged to Mrs. Barbara Simon, has recently been sold to a retired banker from Iowa, who is making extensive alterations.

HERE FROM HEMET

L. E. Brockman, of Hemet Valley, is in Glendale on a business visit for a day or two and reports the Valley is feeling the prosperity as all other sections of Southern California. The ranches did especially well on fruit, the apricots and peaches paying as high as \$400 to \$500 to the acre. He also reports the price of land is advancing there as well as everywhere else.

CONSUL WINSEL EXPLAINS

The city trustees are in receipt of a copy of a telegram received by Charles Winsel, of this city, Belgian Consul for Southern California, expressing the great regret felt by King Albert and Queen Elizabeth over their failure to see and greet the residents of Glendale, who assembled to do them honor last Thursday. The text of the telegram is included in news dispatches received through the United Press and appears on the first page. In his letter of transmission Mr. Winsel says:

"I personally regret the insult to my home town, Glendale, and consider it very much of an insult to the King and Queen of Belgium. They had approved of the program and expected to greet the Glendale people."

"This matter is being taken to Mr. Lansing, Secretary of State, and we are sure that he will take the matter up."

"With my assurances of great regret for the regrettable occurrence, believe me, dear sirs,

"Yours very sincerely,
"CHAS. WINSEL."

KING AND QUEEN SEND MESSAGE TO GLENDALE

EXPLAIN FAILURE TO STOP AND GREET "NUMEROUS AND GENEROUS FRIENDS OF BELGIAN CAUSE"

(Special Service to Glendale Evening News)

LOS ANGELES, October 20.—A telegram from Baron de Cartier, Belgian ambassador to the United States expressing regret for the happening which prevented King Albert and Queen Elizabeth of Belgium from meeting many friends and admirers in Pasadena and Glendale, was received today by Charles Winsel, Belgian vice-consul in Los Angeles. The message which was sent from Grand Canyon said:

"Go and see the mayors of Pasadena and Glendale and explain to them that it was no fault of ours that the royal party did not arrive on schedule time in Pasadena and Glendale for the reception so kindly offered by those cities and their populations. We were delayed, as you know, by extra stops in the program."

"King Albert and Queen Elizabeth cannot but greatly regret that in spite of their earnest wishes they are deprived of the pleasure of greeting numerous and generous friends in the Belgian cause."

Consul Winsel said today that he is in receipt of complaints from many sources concerning the disappointment caused when King Albert and Queen Elizabeth were prevented from meeting thousands who had expected to greet them. The protests and complaints are being sent to the Belgian ambassador at Washington.

PROHIBITION ENFORCEMENT BILL

AFTER HAVING PASSED ON ITS CONSTITUTIONALITY PALMER SENDS IT TO WHITE HOUSE

(Special Service to Glendale Evening News)

WASHINGTON, October 20.—Attorney General Palmer is expected to send to the White House today the prohibition enforcement bill for signature by the president, after having passed on its constitutional phases. It is understood that the bill will be permitted to remain at the White House until October 28 when it will become a law without the signature of the president.

The bill is considered one of the most sweeping acts ever passed by Congress. Under its provisions it will be illegal to manufacture or sell liquor containing over one-half of one per cent of alcohol, and any patent medicine or other compound made for beverage purposes containing over one-half of one per cent of alcohol is also prohibited. Near-beer can be made but must not be sold under the name of beer, ale or porter.

Fines for violation of the act will constitute a lien against property where the violation was permitted if the owner had guilty knowledge of the violation.

SUGAR REFINERS RECEIVE INSTRUCTIONS

THREATENED BY DEPARTMENT OF JUSTICE WITH PROSECUTION IF THEY REFUSE TO SELL AT PRICES SET

(Special Service to Glendale Evening News)

WASHINGTON, October 20.—Attorney General Palmer today telegraphed to all beet sugar refiners, notice that the Department of Justice will prosecute under the Lever Food Control act any refiners who ask prices higher than 10 cents to ten and a half cents a pound for sugar as set by the Sugar Equalization Board.

The telegram said it has been learned that refiners are refusing to sell sugar as it is produced on account of uncertainty as to prices. The telegram sets forth the prices that the Sugar Board has made and asks the refiners to sell on that basis all sugar needed to supply the market. The refiners are requested to wire their concurrence to Washington.

PRESIDENT HAS FAIRLY GOOD NIGHT

DIGESTIVE DISTURBANCE FROM WHICH HE SUFFERED HAS ALMOSE COMPLETELY SUBSIDED

(Special Service to Glendale Evening News)

WASHINGTON, October 29.—The president's physicians today issued this statement at noon:

"The president's digestive disturbances have subsided almost completely. After a fairly good night he is comfortable this morning."

SOLDIERS IMPORTED TO HOBOKEN

WILL TAKE UP THE WORK OF STRIKING LONGSHOREMEN IN CONNECTION WITH EMERGENCY FLEET

(Special Service to Glendale Evening News)

NEW YORK, Oct. 20.—Army officials today announced that five hundred soldiers have arrived at Hoboken and will be used in loading and unloading the emergency fleet corporation's vessels doing the work which was stopped when the longshoremen struck. The soldiers will work in uniform. It is expected this action will bring the strike to a crisis.

WASHINGTON, Oct. 20.—Secretary Baker today refused Mayor Hylan's request that troops be not used to break the New York longshoremen's strike.

FOSTER BRIDGE CLUB

MIDSUMMER BRIDGE CLUB ORGANIZES AND ELECTS OFFICIALS UNDER NEW NAME

The card club, which has been meeting for several months and which has been known as the "Midsummer Bridge Club," was entertained Friday afternoon at the home of Mrs. A. H. Montgomery, 415 S. Central avenue, which had been charmingly decorated for the occasion with goldenrod and red dahlias.

A formal organization was effected under the name "Foster Auction Bridge Club," suggested by the fact that the ladies are following Foster's rules. Mrs. W. W. Ramsay was made president and Mrs. Helen Campbell, secretary-treasurer. The full membership is now: Mesdames L. N. Hagood, W. W. Ramsay, Helen Campbell, John Robert White, C. E. Norton, Lester Jones, W. A. Crocker, Mrs. Hilliard, of Los Angeles, deaux, A. A. MacIntyre, Charles A. Parker and Mabel Rudy.

Delicious refreshments were served after play by the hostess, who was assisted by Mrs. Louis Stanton, of Los Angeles, by her daughter Miss Minola Budd and by Miss Esther Bent. The club voted to meet the first and third Fridays of each month.

WILD DUCK DINNER

Mr. and Mrs. Edward S. Lawrence of 1304 North Maryland avenue, entertained Sunday with a mid-day wild duck dinner, at which covers were laid for Mr. and Mrs. Norman C. Hayhurst, Mr. and Mrs. William C. Wattles, Mrs. Elizabeth H. Bement and son. The table was centered with cosmos and elsewhere dahlias and chrysanthemums were used in decoration.

DEATH OF SHELBY T. McCANN

Death came as a blessed release Sunday just before midnight to Shelby T. McCann, of 400 Oak street, who has suffered from a painful illness for many months. With him when he passed away were his two sons, Melvin and Raymond, and his faithful wife who, in spite of frail health, has met her heavy responsibilities in a manner which has commanded the admiration of all who know her. Deceased was born in Montgomery county, Indiana, in 1865. He and his family came to California fourteen years ago and they have been residents of Glendale for about three years. They were members of the Central Christian Church of this city and Rev. Clifford Cole, pastor of that church, will officiate at funeral services, which will be held at the Little Church of the Flowers at Forest Lawn Memorial Park Wednesday afternoon and which will be in charge of the Jewel City Undertaking Company.

COUNTRY FAIR

RETURNS TO DATE, ROUGHLY ESTIMATED AT \$2000, WILL PROBABLY REACH \$3000

While it is not possible yet to make a report of the net returns of the Country Fair held at La Ramada last week as a benefit for the Building Fund of the Holy Family Catholic Church, those who were active in connection with it roughly estimate returns to date as not less than \$2,000 and express the hope that they will amount to \$3000. The attendance was large, particularly Friday and Saturday nights, and all the booths, but especially the "Hickville Emporium," under Mr. Monahan, did a very profitable business. Friday was "Elks' Night" and many members of Lodge 99 of Los Angeles came out to enjoy the fun. As an evidence of their friendly spirit it is reported that when the Fair was announced at the meeting of that Lodge last week and its object told, a hat was placed in the middle of the room into which members began tossing dollars for the Building Fund. When the dollars were counted they totaled \$69.

Many people will be interested to know that the beautiful cake made by Mrs. O'Connell and decorated by Mrs. Bert Woodard, was won by W. B. Kelly of 927 Randolph street. He and Mrs. Kelly are entertaining Tuesday night with a dinner at which Father O'Neill and a few other friends will be guests and the cake will then be cut. Mrs. Kelly is in high feather over her husband's good fortune and the chance to serve so beautiful a confection. Mrs. June Stone sang most beautifully Saturday night and Miss Viola Yorba danced. It is expected that committees will report so that announcement can be made next Sunday of the receipts of the fair. The church is planning a \$30,000 edifice which it expects to build next spring.

SCHOOL CENSUS

SCOPE IN CALIFORNIA ENLARGED TO INCLUDE ALL MINORS EVEN ABOVE SCHOOL AGE

Glendale was represented on the program of the regular meeting of Los Angeles County Elementary Principals which was held in the office of County Superintendent Keppel Saturday afternoon. C. L. Edgerton of Bell, California, is president, and Ernest E. Harwood, of the Cerritos Avenue School, Glendale, is secretary. The program included an address by Mrs. Alice O. Hunnewell, Superintendent of Reading in the University of California Southern Section, formerly known as L. A. Normal. She presented her method of teaching first grade reading which differs materially from the prescribed state system followed in all the elementary schools of California except those of Los Angeles and San Francisco which are permitted independent systems of teaching and of employing teachers. In our schools first grade reading begins with phonics. While Mrs. Hunnewell admits the importance of phonics she begins differently. As she explains her system, she reasons from the known to the unknown. Everything in the room is labeled with its name so the child will become familiar with the appearance of the word and learn to associate it with the thing it stands for. The last half of the year she takes up phonics. This plan is followed in Los Angeles and Glendale teachers find it an embarrassment when children from that city enter Glendale schools and have to be put back into beginning classes to get the phonic work. Miss Manie Newby, of Whittier, and Miss Annie L. McIntyre, Principal of Cerritos Avenue School, led the discussion which followed the paper. Both endorsed Mrs. Hunnewell's method and arguments.

A. C. Wheat, Assistant County Superintendent, made a talk on the new state law requiring the registration of minors. This is an extension of the school census inasmuch as it includes girls to the age of eighteen and boys to the age of twenty-one. The law provides that the appointments of persons to make the registrations must be made before October 25th, and that the work may be done by teachers under the direction of the attendance officers. Compensation of \$4 a day or 50c an hour is allowed for the work which is paid for out of elementary school funds. (Continued on Page 2)

THE BOY SCOUT MOVEMENT

The Boy Scout meeting seems to be developing in this city faster than its sponsors are able to take care of it. Master-at-Large E. E. Harwood reports new troops anxious to organize for which no Scout Masters are available. One of these is being organized among boys in the Catholic Church. Another is made up of boys who live in the Casa Verdugo District and still another in the Columbus Avenue School District.

HOUSE FAMINE IN ALHAMBRA

Glendale is complaining of a shortage of houses, but it has not reached the acute shortage that Alhambra is facing. There the situation is so serious that the Board of Trade has appealed to owners of homes to temporarily accommodate persons seeking residence there.

GET PADDED LIMIT

MESSRS. NORMAN OTIS AND AL LAND SHOOT EIGHT DIFFERENT VARIETIES OF DUCKS

Norman Otis and Al Land of the Ford Agency in this city, have returned from a week-end duck shooting excursion to Big Bear and have returned all puffed up over a bag of seventy-five ducks to be distributed among their friends. They modestly state that they got the padded limit—mostly Widgeon and Sprigs, but in all eight different varieties including Canvass Backs and Red Heads. They report there were more hunters at the lake than have been known on the opening day for several years. On the way home they saw two large buck deer. They say that M. R. Ferguson, also of the Ford Agency (accompanied by Messrs. Machet and Schrader, of Los Angeles), was also at Big Bear and got eleven ducks after shooting 400 shells. They report further that "Jesse E. Smith, the fiery red-headed Ford agent, will leave Thursday of this week for Big Bear for a week-end of shooting and is laying bets that he will do better than Otis and Land. Mr. Ferguson will go with him."

GLENDALE, CALIFORNIA, MONDAY, OCTOBER 20, 1919

SCHOOL CENSUS

(Continued from Page 1)

The Board has therefore arranged for the teachers to do the work which will start the first of November. The law requires a house to house canvass of every habitation in the district. Superintendent White says it is probably done with the idea of enforcing compulsory education laws particularly the new law which provides that every male over the age of sixteen years who cannot read, write and speak the English language as well as a child who has finished the sixth grade, must attend night school.

The Association also passed two resolutions, one requesting Senator Hiram Johnson to cease his opposition to the League of Nations, another reproaching publishers of the Red Cross Magazine for carrying tobacco advertisements. The law requires California public school teachers to teach the evils of the tobacco habit. Under the present policy school Red Cross funds have been drawn upon to pay subscriptions to the Red Cross magazine which has circulated among the children, but different arrangements will be made and the subscriptions cut off if the magazine continues to carry the tobacco ads. So, at least, reports Secretary Harwood.

CAUGHT ON THE FIRST BOUNCE

By S. M. Greene

The holiday disease is getting such a firm hold on the people of California that they won't even let a poor tired holiday slip by on a Sunday without being "observed" and duly celebrated. Columbus Day might have had a much-needed rest this year, but not so, Monday was crowded out of the list of working days instead, for fear perhaps that old Christopher might speak slightly of present day mortals to some of his pals along the banks of the Styx. If holidays keep multiplying without provocation as they have been doing in California, what ever will we do when every day in the year is some sort of a legal holiday, and some excuse arises for still another holiday or two? Could two holidays be celebrated on the same day, or would we have to extend the year a day or two in order to get it in?

A society reporter in a neighboring town, in writing up the doings of a church society, said: "The subject for the afternoon was Personal Devils. Seventeen were present." The day after the paper came out the reporter went away on a three weeks' vacation.

In addition to the credit that Pomona got for praying for the recent rain, the following deserve honorable mention: Prof. Sprinkle of the Corona schools; Dr. Rainey, a practicing physician at Inglewood; and Rev. Leak, a preacher at Hemet.

WEATHER FORECAST: Partly cloudy tonight and Tuesday. No important change in temperature.

Personals

Dave Young, well known in this city and for a long time a resident here, was the Sunday guest of Mrs. Fanny Stone of 301 East Chestnut street.

Mr. and Mrs. Farnsworth are again in their own home at 217 North Central avenue, after spending several months on their ranch in the north.

Mr. and Mrs. Frank Townsend of 942 South Louise street motored to Balboa where they spent the weekend very pleasantly with a party of friends.

Mr. and Mrs. Bynner Thomas of Columbus, Ohio, who are spending the fall and winter in Long Beach, were Sunday guests of their old friends, Mr. and Mrs. Robert Danner.

Dr. and Mrs. Irving L. Smith, who formerly resided at 311 North Kenwood street and who went east some time ago, have returned, and are now permanently located in Los Angeles.

Mrs. Godfrey Parker was the guest of her son and daughter-in-law, Mr. and Mrs. Charles Parker, of North Orange street, for several days last week, returning to her home in Santa Monica, Sunday.

Little Katherine Cross, now at the Angeles Hospital in Los Angeles, and daughter of Mr. and Mrs. H. D. Cross of 329 Mira Loma avenue, is still critically ill of typhoid fever. Her father was summoned from the east and is at her bedside.

Rev. Clifford Cole, who has been confined to his home for two weeks with the first serious illness of his life, was well enough to occupy his pulpit at both morning and evening Sunday services and rewarded his excellent audiences with fine sermons.

Mr. and Mrs. S. E. Jorgensen, of High Grove, near Riverside, who formerly resided in Iowa and were old friends and neighbors of Mrs. Lyda Border of 217 North Louise street, have been her guests for several days. They are leaving this evening to visit friends in Fresno.

Blake Franklin, his son Donald and a friend from Los Angeles, Mr. Hilliard, made up a party the latter part of the week and have gone trout fishing up on the Sespe above Lyons. The season will soon close and they decided to take a little time off to enjoy it. They will be gone until Tuesday.

Rev. and Mrs. E. H. Willisford are entertaining the men of the church this evening. They are using the church parlors in order to have more room and are making it an entirely informal get-together function. Mr. Willisford and Ben Scoville will swap war stories and there will be some music and refreshments.

William Van Osdoll of 612 East Elk returned Sunday evening from a trip to Tulare county, where he went to deliver a tractor. He visited Tulare, Visalia and Exeter where he found everything prosperous. He spent one night at Exeter with his two sons, Bert, who is in the transfer business there, and Clifford who is employed in a cannery.

Miss Reba Richardson, daughter of Dr. L. C. Richardson, of 1856 South Brand boulevard, is expected home before long. She went east to visit relatives and old friends in Iowa following her graduation from Occidental last spring and has had a delightful summer as she has been lavishly entertained by old schoolmates delighted to renew acquaintance with her.

The father of Robert Danner was taken ill last week and removed to the Glendale Sanitarium, where he now is, but he is very much better and expects to soon be well enough to return to the home of his son. He and his wife came west with Mr. and Mrs. Robert Danner when they returned from their visit to their old home in Kansas, and plan to spend the winter in Glendale.

J. J. Burke of 1242 South Maryland has completed the job he has been engaged on at Lankershim and is just now engaged in remodeling the residence of Percy J. Priaulx at 128 West Park avenue. In a few days he will start on a new house which he is to build for Homer Lockwood on Lomita between Central and Brand boulevard. It will be a Colonial bungalow of seven rooms with hardwood floors throughout and will be thoroughly modern and attractive in all its details.

Mr. and Mrs. Clinton Booth, of 123 West Lomita avenue, are rejoicing in the arrival in Glendale of their friend, Mrs. E. H. Gage, of Cleveland, Ohio, with her son, Hugh, and daughter, Mary Gage. Mrs. Gage has leased the Borthick house on West Elk avenue, her children have entered High School and she will spend the winter here. The Booths are hoping she will like it so much that she will become a permanent resident.

KIRK IN WASHINGTON

(Continued from Page 1)

woods, vines and underbrush and there is very little farming to be seen. From Baltimore to Washington I could see scarcely a farm house and practically no towns. The soil seems to be very sandy and poor.

Trees growing in the parkings on the business streets, too, is a novelty in city life. I was impressed with the fact, however, that Washington is not a good business town even in a retail way.

The Congressional Library is the only government building open at night and the view of its interior from the gallery is fine. I took time to spend 40 minutes in the Corcoran Art Gallery (about time enough to see three or four pictures), which contains wonderful works of art.

The "Labor-Conference" is being held in the Pan-American Building, one of the beautiful buildings south of the White House. They had adjourned for that day so I couldn't get to see them in session although seeing groups of the delegates in very earnest debate.

The White House looks just like its pictures—plain, simple, dignified—could hardly be improved. There were lights in two or three of the front rooms, where, I suppose, the President's doctors consult.

The capitol, too, is just as you expect to see it. I had a "look in" on Congress in session. Senator Francis of Maryland was orating to empty seats in the Senate—trying to show the fallacies and injustices of the League of Nations. It certainly seemed farcical to see him gesticulating and throwing his arms about with strenuous shouts when there were probably a dozen senators present and only five or six of them paying the slightest attention to him. The galleries, however, were about half full, perhaps he was playing to them. The same condition existed in "The House." There might have been extenuating circumstances there, however, because the matters being discussed there had none of the importance of the Peace Treaty. As far as I know I got to see none of the "big bugs" of either House.

Far more interesting and impressive than either was the session of the Supreme Court, which I dropped into for a few minutes. Seven or eight of the judges were listening intently to the argument of a fine-looking attorney of mature years who was evidently trying to show that no monopoly exists in the steel industry.

My visit to the Home-Office of "The Provident" being the real goal of my trip, however, I hurried on to Philadelphia from Washington, not stopping in Baltimore at all.

YOURS,
W. B. KIRK.

SCHOOLHOUSE THE KEYSTONE

Glendale, Oct. 14, 1919.

Editor News:—

"What is the matter with Mexico?" and "What is going to become of Mexico?" are questions so frequently asked, and so seldom answered with satisfaction, that the following from the Outlook will be an enlightenment to many real humanitarians, who are anxiously hoping that some good may come to that oppressed people and of the present turmoil, and while Diaz might not himself be perfect, and his regime faulty, he speaks as a wise man, and as one familiar with conditions there.

H. E. LOVELESS.

The Keystone of Civilization
 Agnes C. Laut in the World Outlook

Mexico could have been saved and can yet be saved without the firing of another revolutionary shot, or the shedding of another drop of blood. It can be saved without the political catch cries of "cut the gringos' throats!" on the one side of the line, and "armed intervention" on the other side of the line. It can be saved so easily that the crime is not in interfering. It is in hesitating.

As Diaz once said, "You Americans talk of the constitution being the keystone to the arch of your liberties. It isn't, and never has been! The keystone to the arch of your liberties is the little red schoolhouse on the back road, where unknown workers teach what liberty and decency and self-control mean. That's the keystone to your liberties—the little red schoolhouse. Till we get that going we'll never have a people who realize that liberty is not freedom to despoil the other man."

That is what Mexico needs—the little red keystone.

GLENDALE'S DISAPPOINTMENT

Little Ruth King, daughter of Mrs. Etta King of 108 North Adams St., was one of the children eager to see the King and Queen of Belgium, who was disappointed Thursday. She has summarized the story in the following verses:

King Albert of Belgium
 And his fair lady Queen
 Came through the city
 That they might be seen
 By thousands of people
 Who sent them their aid
 When poor Belgium had nigh
 In her grave been laid.

The man who was leading
 Had no good breeding.
 What is more, he knew
 Not one block from two.
 I therefore must state,
 Though sad to relate
 The King on the wrong
 Street went through.

WHEREAS, On the 25th day of September, 1919, a petition was filed, signed by fifteen (15%) per cent and more of the qualified electors of the City of Glendale, computed on the total number of votes cast therein for candidate for Governor at the last preceding election at which a Governor was elected, with the legislative body of said municipality, requesting that a proposition for the acquisition, construction and completion of the hereinafter described municipal improvements, and providing for the issuance of bonds therefor in the sum of TWO HUNDRED SIXTY THOUSAND AND NO 100THS (\$260,000.00) DOLLARS be submitted to the qualified electors of the City of Glendale, at which such proposition may be voted upon; and

WHEREAS, The Board of Trustees of the City of Glendale, at its regular meeting held on the 2d day of October, 1919, by a vote of more than two-thirds (2-3) of all its members, duly passed and adopted a resolution determining that the public interest and necessity demand the acquisition and construction by the City of Glendale of certain municipal improvements in connection with the combined development, operation and improvement of the water works and system and the electric light works and system of said city, to-wit., lands, wells, pumping plants, pipes, meters, reservoirs, reservoir sites, water rights, poles, pipe line rights and a hydro-electric generating plant for the purpose of generating electricity.

Said improvement would require an expenditure greater than the amount allowed for the same by the annual tax levy; and

WHEREAS, Said resolution was duly signed and approved by the President of the Board of Trustees of said city on the 2d day of October, 1919, and was attested and certified to by the City Clerk and was duly published on the 3d day of October, 1919, in the Glendale Evening News, a daily newspaper printed, published and circulated in the City of Glendale;

NOW, THEREFORE, THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE DO ORDAIN AS FOLLOWS:

Section 1. That a special election be held and the same is hereby called to be held in the City of Glendale on the 12th day of November, 1919, for the purpose of submitting to the qualified voters of said city the proposition of incurring an indebtedness and issuing bonds of said city in the amount hereinafter set forth and for the purposes set forth in said resolution and as hereinafter stated.

Section 4. The polls for said election shall be open at six o'clock of the morning of the day of election, and shall be kept open until seven o'clock of the afternoon of the same day, when the polls shall be closed, except and provided, however, that if at the said hour of closing there are any voters in the polling place, or in the line at the door thereof, who are qualified to vote and have not been able to do so since appearing, the polls shall be kept open a sufficient time to enable them to vote, but no one who shall arrive at the

polling place after seven o'clock in the afternoon shall be entitled to vote, although the polls may be open when he arrives.

(Continued from Page 1)

tragedy of so many experiences is that we have to look over a period of perhaps forty years to find where God really came to us and gave us a blessing. There should be a thousand things that have happened to us since that time that were greater than when God first spoke to us.

"The next thing to which I wish to refer as necessary is energy and enthusiasm in the work. David says: 'The King's business requires haste.' If that is true of an earthly King, how much more true of the King of Kings. One of the things that greatly hinders is the indifference of so many in the church, the lack of wide-awake enthusiasm.

"Still another thing is suggested by the text: 'Study to show thyself approved.' If we are to accomplish much that is worth while in the advancement of the Kingdom of Christ in the world, it will be because we are students of His Word. Only by the study of the Bible can we have this qualification and be a success. We cannot do the King's business without knowing what that business is. It is our duty to so study the Word that we know the plan of salvation. I believe profoundly in that fitness that comes through the baptism of the Holy Spirit. I do not disparage that in our work at all. We cannot do anything unless we have God Himself with us in our work, but I do not believe God will give the message through His preacher to the people. There is just one way to know the scripture and that is to study it.

"In these days of minimizing sin, how many can give a statement of what sin is? How many can give us a statement of the atonement or of sanctification by faith? If we are to be approved of God and not to be ashamed it seems to me God calls us to the study of His Word, and if we are to have an adequate appreciation of the Bible we must know Christ."

Dr. Charles H. Scott made the closing prayer and the congregation united in singing: "O Jesus, I Have Promised to Serve Thee to the End."
